

Dear Educators and Parents:

Smart Test, Inc. is a non-profit organization, founded in June 2008 by classroom teachers from various R.I. districts.

Smart Test has written summer review booklets for grades K-4 because, as educators, we understand the importance of having skills and concepts reinforced throughout the summer months. Summer Pathway to Success provides an affordable and effective way to allow for structured practice, fill learning gaps, and prepare children for their upcoming grade. Our Summer Pathway to Success offers:

- 8 weeks of review (K,6 weeks) for reading, language, and math in an easy, daily two-page format, with standard-based activities that require 20-30 minutes to complete
- an answer key is also included in each booklet to assure that parents and students can approach the tasks in a stress-free manner
- Smart Test will give back to the school ____% of the total sales

We look forward to serving you.
